

Basic Navigation

Access the data portals:

From the main Data Center welcome page, click on a data center heading in the top navigation bar; this will take you into the portal you selected.

Navigating within a data portal:

On the far right column, you will see the **Primary Indicator** column with topics to select.

Click on one of the topics available under **Select Topic**.

Select indicator will become enabled for selection, based on your topic selection.

Guides & Tutorials

Once a selection is made within [Select an indicator](#), you can change the selection in [Select group/category](#) as desired.

Note: All data available within [Select group/category](#) is available under the **TABLE** tab and may be visible when you click on an area of the map.

The screenshot shows a web interface titled "QUALITY FIRST" with an information icon in the top right. Below the title is a "Primary Indicator" dropdown menu. The interface is divided into three main sections:

- 1. Select a topic:** Contains four buttons: "State / Region Overview", "Providers Statewide", "Providers by Region A - O", and "Providers by Region P - Z".
- 2. Select an indicator:** Contains a list of radio buttons for different indicators. The "Enrolled Quality First Licensed Participants" option is selected. Each indicator has a corresponding "show all" or "hide list" link. The "West" region option is highlighted in yellow.
- 3. Select group/category:** Contains a dropdown menu with the selected option "Total Quality First Licensed P...". Below the dropdown is a scrollable list of categories: "# of Sites 3 - 5 Star", "# of Sites 1 - 5 Star", "Total Quality First Licensed Particip...", "Total Non-Quality First Licensed Pr...", and "% Licensed Providers participating".
